Sir,

As your instruction by Public Notice dated July 10th 2019, we are in process to install Bio Metric equipment for the attendance of the students.

We have already installed Bio Metric equipment for the attendance of the Teachers and Non Teaching staffs supplied by Patna University, Patna and 2 (two) Bio Metric equipment installed by Governor House (Bihar) (only for Teaching & Non Teaching staffs).

There is a need to install a separate Bio Metric equipment for the attendance of the students. We are in process to install one more equipment separately for the students very soon. We have requested to Patna University, Patna to install a separate equipment for the students attendance.

This is for your kind information that our attendance monitored by Governor House (Bihar) every month.

Very soon after installation of the equipment we will send you students & teachers attendance weekly.

Thanking you
Sincerely yours
